

Tucson Junior Strings is a music education and leadership program for the community's young string musicians. TJS consists of ten chamber orchestras that rehearse in three Tucson locations. TJS works closely with public schools and private teachers of the community to add perspective and dimension to individual preparedness, leadership and teamwork. These young musicians can enter the program as early as six years old and continue through their senior year in high school. As a result, many former TJS members have continued to grow as adult performers, attending prestigious music schools and performing in professional symphony orchestras throughout the United States and Internationally.

TJS is preparing for our Annual Spaghetti Dinner/Silent Auction/Raffle. We are reaching out to local businesses, alumni, and parents, for donations of goods and services to auction off in November. Funds raised are used to help pay our expenses so that we can offer scholarships and keep our tuition at a level that most Tucson families can afford.

If you would like to donate, please fill out the form below and call 307-5612. One of our committee members will be in contact with you.

SILENT AUCTION
SATURDAY NOVEMBER 18, 2017
