

VOLUNTEER COMMITMENT SPRING 2018

Tucson Junior Strings (TJS) relies on the assistance of all our dedicated families and individuals throughout the year to enhance the experience of our children. Because we are a non-profit, the need for parent and family volunteers is essential for our events to run smoothly. Each family is responsible to donate four (4) hours of their time each semester to a TJS volunteer activity. The coordinating board member for each volunteer activity will contact you. Below is a list of committees and a brief description of each event. Please mark the activity or activities you are willing to help with. Thank you.

Yearbook Team

The yearbook is produced at the end of the spring semester and includes all students who participate through the year. Ads from individuals and businesses are requested to help supplement the cost of the yearbook and raise funds for the program. Help is needed to call on the membership and businesses to ask for ad donations. Questions? Contact Dennis Bourret at dennisbourret@gmail.com, 745-5830 (office), or 465-1334 (cell)

_____ Yes, I am willing to help solicit advertising for the yearbook.

Grant Writing

Grants are essential for all non-profits to cover general overhead, rents, and salaries, and to help provide new music and tours for the students. Committee members are asked to write 3 grants a year, with a large list of grants to select from. Some grants have deadlines that must be met and others are open-ended. These members work with the director and business manager to apply for funding where needed, and provide financial information that is requested. There is assistance within our organization for committee members who are not familiar with writing grants. Questions? Contact Dennis Bourret at dennisbourret@gmail.com, 745-5830 (office), or 465-1334 (cell)

_____ Yes, I have grant writing experience and I am willing to help with grant writing.

Concert Assistant

Volunteers are needed to help set up lobby area, distribute programs, manage T-shirt and CD/DVD sales, run raffles, direct students to the tuning room, distribute poinsettias, and lobby tear down. Please arrive one hour before the scheduled concert time. Questions? Contact Andrea Jameson at andrea.jameson4tjs@cox.net or 307-5612.

_____ Chamber Orchestra Concert, Saturday May 12, 2018
